District & Club Planning

District Priorities & Goals for 2026-27

Goals 1. Support Membership Growth

(Reverse the Downward Trend)

If each club, in each RCL Group, in the District, set and achieved a goal to increase net club membership by only one member in 2026-27, we would solve our membership problems.

- **Retention of Existing members**
- **Retention of New Members - The numbers**
